48. Chapter Four Learning Activity

This is not a content chapter. It is a review quiz: a word search plus fill-in-the-blank clues covering the people and events of Chapter Four, followed by a reflection prompt.

Key takeaways

- A worksheet to review Chapter Four's key figures (e.g. Ambrose, Leo, the Council of Chalcedon, Benedict) — not new teaching.
- Answers come from recalling Chapter Four, so review that chapter's people and councils before working through it.
