49. Chapter Five Learning Activity (Review Quiz)

This is not teaching content. It is a review worksheet for Chapter Five, with fill-in-the-blank and matching questions covering Islam, icon veneration, the medieval papacy, and the Crusades.

Key takeaways

- Use it to self-check what you remember from Chapter Five.
- Topics reviewed: Muslim worship of Allah, the Second Council of Nicaea on icons, Pope Leo III crowning Charlemagne, the forged Donation of Constantine, priestly celibacy, and the purpose of the First Crusade (to conquer Jerusalem).
- The matching section pairs church statements with their sources (councils, creeds, papal bulls, Urban II's sermon).
