Christian History Made Easy (Rose Bible Basics)

52. Chapter Eight Learning Activity

This is a fill-in-the-blank matching worksheet, not a reading chapter. The student writes words from a word list next to ten Reformation-era figures they describe, then adds one word of their own for each. It reviews people covered in the course: Loyola, Calvin, Henry VIII, Kaetie and Martin Luther, Manz, Simons, the Council of Trent, Tyndale, and Zwingli.

Key takeaways

- A review exercise, meant to be done after the chapter, not read for content.
- Matches descriptive words (nationality, role, fate) to key figures of the Reformation.
