

Jones, Timothy Paul

Christian History Made Easy (Rose Bible Basics)

55. Chapter Eleven Learning Activity

This is a fill-in-the-blank review quiz for Chapter Eleven, not new teaching content. It prompts the student to recall the chapter's people and movements (Carey, the Taylors, the Stone-Campbell Movement, Finney, Miller and White, Kant and Schleiermacher) and to connect Bible verses to each, ending with the five fundamentals from the 1895 Bible conference.
