4. The Lord Our Provider (Jehovah-Jireh)

A short devotional on God's name Jehovah-Jireh, 'The Lord Will Provide,' drawn from Abraham's experience on the mountain. It uses a student's testimony of a full scholarship to urge active faith for God's provision.

Key takeaways

- God is Jehovah-Jireh, the One who 'sees to it' and provides for what you need.
- Provision comes as you put your faith into action and believe God for the real thing, not the cheaper backup.
- You have a covenant of provision with God; write out what you're believing Him for and hold to it.
