5. The Goodness of God

A short devotional built almost entirely from Scripture, teaching that God's goodness is His abundant provision and supply, stored up and actively poured out on those who fear Him and take refuge in Him.

Key takeaways

- God's goodness means His provision and supply — good in the widest, farthest sense.
- His goodness is greater than the greatest thing you could imagine or ask for; it actively pursues you.
- Those who fear and seek the Lord lack no good thing.
- Confession to keep: "I will see God's goodness in my life, daily."

Passages worth keeping

> *"Think about the greatest thing God could do in your life. His goodness is greater still."*
