God is My Source

7. Our Source of Everything

A short devotional section stringing together verses on one theme: God is the source of everything we have. It closes with a prophetic 'Word from the Lord,' a call to praise, and a confession to speak aloud.

Key takeaways

- Everything you have — wealth, provision, honor, spiritual blessing — originates with God and is given by Him.
- Because God is your Shepherd and supply, you will not lack; He can do far beyond what you can imagine.
- Respond with gratitude and praise; rejoicing builds faith and silences the enemy. Confess: 'I shall not lack!'
