In Him

4. In Christ: A Topical Scripture Index

This chapter is not prose but a reference list. It gathers Bible verses grouped by the phrase that describes the believer's union with Jesus — 'In Christ,' 'In Him,' 'In the Beloved,' 'By Christ,' 'Through Him,' 'With Him,' and so on. A final section lists verses that teach the same truth without using those exact phrases.

Key takeaways

- It is a study tool: look up the listed verses to see who you are and what you have because of Christ.
- The groupings sort the references by the exact union-phrase each verse uses.
