5. A Sinner's Prayer to Receive Jesus as Savior

This is a short model prayer, not a teaching chapter. It walks a reader through confessing faith in Jesus and receiving salvation, anchoring each line in a verse and ending with a space to sign and date the decision.

Key takeaways

- Coming to Jesus means He receives you, not rejects you.
- Salvation comes by believing in the heart that Jesus is God's risen Son and confessing Him as Lord out loud.
- The prayer ends with a signature and date to mark the commitment.

Scripture referenced

- **Rom. 10:9-10** -- believe in the heart, confess with the mouth, and be saved
- **Rom. 10:13** -- whoever calls on the Lord's name is saved
