Miracles and the Supernatural Throughout Church History Study Guide

1. A Note From Rick Renner

A brief opening note where Rick Renner states the purpose of the series: a 'revival of the Bible' so believers build their lives on a firm foundation that holds through end-time pressures. He urges daily reading, receiving, and applying Scripture.

Key takeaways

- Read, receive, and apply God's Word daily to stand firm when hard times come.
- Don't just hear the Word — be a doer of it; that's where the blessing is.
- Let the Holy Spirit show you something new that applies to your own life.
