Spiritual Weapons to Defeat the Enemy: Overcoming the Wiles, Devices, and Deception of the Devil

17. Back Cover — Dream Thieves (Promotional Description)

This is publisher marketing copy for Rick Renner's book Dream Thieves, not a chapter of content. It pitches the book's premise: every God-given dream faces 'thieves' that try to derail you, and the book teaches strategies to protect and fulfill your calling.

Key takeaways

- Every God-planted dream has a purpose and a destination.
- 'Dream thieves' show up early and often to shift your focus from opportunities to obstacles, making you doubt your call.
- The book aims to revive delayed or seemingly dead dreams and push you to fulfill your God-ordained purpose.
