

Henricks, HowardTeaching to Change Lives

2. Foreword (by Bruce H. Wilkinson)

This is the book's foreword. Wilkinson honors his former seminary teacher, Howard Hendricks, telling stories of Hendricks's fierce dedication to his students, and introduces the book as Hendricks's 'Seven Laws of the Teacher'—a companion to a video series from Walk Thru the Bible Ministries. Its point: real teaching aims at life-change, not just covering material.
