The Biblical Basis of Christian Counseling for People Helpers: Relating the Basic Teachings of
Scripture to People's Problems (Pilgrimage Growth Guide)

4. Preface

This is the author's preface to a book on basic Christian theology written for Christian counselors. He explains that he wrote it because existing theology textbooks were dry, jargon-filled, and disconnected from counseling, and he wanted a clear, practical introduction to what Christians believe and how those beliefs bear on counseling. He notes it is not a systematic theology and thanks those who helped, especially his researcher Bill Smith.
