The Biblical Basis of Christian Counseling for People Helpers: Relating the Basic Teachings of
Scripture to People's Problems (Pilgrimage Growth Guide)

19. Questions for Further Study

This is a study-guide section, not a content chapter. It lists discussion and review questions for each of the book's thirteen chapters, meant to help a reader test comprehension and apply the material.

Key takeaways

- The questions track the book's flow: what makes counseling Christian, the Bible and its interpretation, God, human nature, sin, Christ, guilt and forgiveness, the Holy Spirit, supernatural agents, the church, the new age (future/kingdom), and spirituality.
- Each set pushes the reader to connect doctrine to actual counseling practice — how a belief about God, sin, or the Spirit shapes the way one helps people.
- Use these as self-check prompts after reading each chapter, not as new teaching.
