Understanding the Five-Fold Ministry: God's System for the Equipping, Edification, Empowerment, and Expansion of The Body of Christ.

12. Conclusion: The Future

The closing chapter of a book on church order and Five-Fold Ministry. It warns against letting a media culture of fear and chaos shake faith in God's Word, and calls the Church to expect revival and to operate in proper order.

Key takeaways

- Don't let constant 'breaking news' fear and propaganda cause you to doubt God's Word.
- Revival is coming, but for it to come, some things must die; the saints must be ready for the overflow.
- Chase purpose, not titles or positions; keep your desires pure.
- The Gospel of Jesus Christ is still God's answer for the world, and Five-Fold Ministry is His government for the Church.
